### Dear Parent/Carer,

Following your feedback, we wanted to clarify the system put in place if your child is attending after school enrichment.

At the start of all enrichment clubs, registers will be taken so we are clear on who is in the school building.

If a pupil does not attend a club that is expected to, the office will be informed and parents will be contacted to inform them that their child did not attend the club.

At the end of the enrichment session, all pupils will be escorted to the main reception to be dismissed.

If, for an exceptional circumstance, a club is cancelled, parents will be informed via a message.

As always, please encourage your child to attend enrichment and make the most of the many opportunities on offer.

Mr D Langford
